Current Mood: where is my coffee? where is my _coffee_? (to the tune of the Pixies)
Current Music: audio files I would really much rather not be listening to.

About sums up my feelings on this audio.

It's going to be "Re: Your Brains" all afternoon.

"My god! He kept the cell phones!" Not funny right now, for a change.

I might even let you borrow it sometimes. That is, if I were to happen to have one.

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

Between FedTriangle and here, I saw a cute li'l yellow Mini. It had a decal of its name on the rear window: "Buttercup."

Now I am earwormed by a horrible horrible '60s pop song. Wouldn't trade for the audio files, but I'll take "Re: Your Brains" off your hands.
